# Changed Hearts will Change Relationships

Hebrews 13:1-4

**In Christ, relationships are meant to change:**

1) \_\_\_\_\_ are treated like \_\_\_\_\_.

2) \_\_\_\_\_ are extended \_\_\_\_\_ (tangibly care).

3) \_\_\_\_\_ Christians are given great \_\_\_\_\_.

4) The opposite \_\_\_\_\_ is approached with \_\_\_\_\_.

## Applying God's Word to Life

1. How would you describe your relationships with others in the BC era (Before Christ)?
2. How would you describe your relationships with others in the AD era (Anno Domini — the year of our Lord and there after)?
3. How has Jesus in you changed your view of others?
4. How has Christ's presence and teachings tangibly changed your relationships?
5. Why is God so passionate about purity regarding the opposite sex?
6. How does the way you relate to these 4 categories of people compare to the way "the world" teaches us to relate to them?
7. In what way has your relationships with others won a hearing for the good news of Christ?
8. Which of these relationships is most glorifying to God in your life right now? Celebrate what God has done in you!
9. Which of these relationships needs to be surrendered more fully to Christ's rule and reign in your life?
10. How will your relationships be different as a result of God's Word and God's presence at work in you today?
