

An Invitation to Engage in Biblical Community at Hope

Every person is made to experience biblical community where we can each learn to love and be loved, serve and be served, and to give to be given to through Christ's body. At Hope Community, we have serving teams that would like to invite you to engage in the body in areas that fit your passions and gifts. Our hope is that each of us can do our part to love, serve and give to the Lord and to the body of Christ starting here at Hope.
