### **Playing Field Location**

The soccer fields used for grades 1st - 6th for the MYSC fall recreation league are located east of the public beach in Glenwood. There are two fields the kids in grades 1st - 6th will be playing on, with Field 1 located by 8th Ave and Field 2 located just east of Field 1.

Please have all kids in grades 1-6 report to this general area – the exact location of all fields of play will be determined by the number of youth participating this year!

### **Ages 4- Kindergarten**

This age group is a developmental program, learning the primary skills of soccer along with some of the basic rules and having a lot of fun. This is a Saturday morning only program from 11:00 to 12:00 meeting at Museum Soccer field, between the older kids' fields and the beach.

### **Required/Optional Equipment**

All participants will need to have shin guards and soccer socks (to cover the shin guards) to play in the fall league. An MYSC performance T-shirt will be provided to all paid participants for the fall league.

Other optional items would be soccer cleats (not the same as baseball cleats) and a soccer ball. Soccer cleats cannot have a spike on the front of the toe, as this could be dangerous to the other participants. MYSC will provide soccer balls to use for practice and games, but if you have a soccer ball, feel free to bring it along to use during practice. (Please clearly place name on ball)

### **Note on Ball Sizes:**

Size 3: ages 4-K;  
Size 4: Grades 1-4  
Size 5: Grades 5-6 (thru adult)

### **Communication of Information**

This year we will be switching to the Remind App vs. our yahoo email account. **Download the Remind App and text the number 81010 and enter @mysc18.** This app will be used to send out information regarding practices / games. This app will ease the administration of the fall soccer league.

### **Fall League Fees: \$20/\$50 Family max**

The fall MYSC program is looking to continue to grow, but we can't do this without parental involvement. You do not need to be fluent with the game of soccer to help with practices. The biggest challenge with practices is keep kids focused during the training session as practice plans have been developed for all age groups. During matches, the referee's will be helping the kids with the rules and help them learn how to play the game correctly.

### **Youth Night @ MAHS Soccer Matches**

This year we will be having youth nights at the high school soccer matches in addition to practices and Saturday matches. Home Lakers soccer matches are September 10th, 12th, 17th & 19th. - be looking for additional information!

### **4<sup>th</sup>-6<sup>th</sup> Soccer Jamboree at Paynesville – Sept. 28**

The older boys and girls can sign-up to go to Paynesville, MN to compete against other area teams! This one-day event will have a few matches with the first one starting at 9am. Your coaches will invite you to sign-up to come along as we get closer to this fun event!
