## Applying God’s Word to Life

- 1) When have you said “not listening” to God, His Word, or His messengers? Why?
- 2) Give an example of a time when you knew what you should do, but chose not to take the truth to heart. How did that work for you?
- 3) What tempts you add to or take away from what God has said?
- 4) What decision or area of your life are you needing God’s direction in right now?
- 5) What are you doing to seek God’s direction for your life right now?
- 5) To what degree does your everyday walk match your spiritual talk?
- 6) Who is likely to follow in your footsteps? Where will that lead them?
- 7) Who may God want you to speak to about His ways and His direction for their life?
- 8) How will you show God reverence and honor through the way that you respond to Him today?
